About me
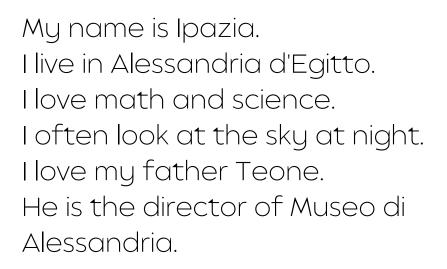

Hi, I'm Sofia.
I live in Napoli, Italy.
I don't like math.
I like building puzzles
of astronomy.
My favorite food is pizza.

My name is Ipazia.
I live in Alessandria d'Egitto.
I love math and science.
I often look at the sky at night.
I love my father Teone.
He is the director of Museo di
Alessandria.

Hi, I'm Enrico
I live in Napoli, a big city in the
south of Italy.
I don't like school.
It's a noisy place.
I like to read books and to swim
in the sea.
I have a bike that I call BO.
